Here is my discourse - I hope it is what you are after. I think you can use the Tenniel cartoons as they are out of copyright. I am checking.
I would be happy with attributable - share and share alike.
thanks for your patience.
here is a version with the changes as requested.
Par contre, je me suis un peu délectée avec le mixage des textes, notamment « systemic ambiguity » and « to talk of many things ».
high intensity of document production, just before, during and after VJ12 festival

During an Active Archive workshop, the notes taken during the event have been synchronized with the video for the first fourteen minutes.
During Michael Moss presentation, a video has been recorded.
The video is fifty minutes long.
